Dear Mr. Stonebraker:

Thank you for the data package on the Lee's Lane Landfill enclosed with your letter of September 2, 1986. Based upon this air analyses data and the reference to the gas collection and venting system update in your letter, the State of Kentucky has no further changes to suggest for the Lee's Lane Landfill Enforcement Decision Document (EDD); therefore, the State concurs with the EDD and Alternative # 3 as the recommended remedial action.

Sincerely,

J. Alex Barber, Director
